Use the mouse only to get to the **SAIL NUMBER BOX** after putting in the sail number  
**DO NOT USE THE MOUSE** only use the **ENTER BUTTON** on the KEYBOARD

- Enter the boat Sail number then hit the **ENTER BUTTON** and see that the correct boat was found
- Enter the HHMMSS of the finish and then **HIT THE ENTER BUTTON** Each successive finish time will carry the HH so only the MMSS need be entered. Remember from the starting time if the start time was 0605 then the finish times must be 072311 or 082222. Do not use the elapsed time from a stop watch for the finish times since you then must change the start times from 0605 for Spinn S to 0005 for Spin S etc
- Also uncheck the box for **out of sequence warning** .
- Only use the mouse to check the boxes for DNF, OCS, RAF do not be concerned about anything else, you can enter protest pending if you want to
- 
- If you check one of the boxes for DNF, OCS, RAF YOU MUST THEN HIT THE ENTER BUTTON
- **IF YOU RUN INTO TROUBLE ASK SOME ONE**
